

HERCULES™ 400R6E

HEAVY DUTY

Hercules doesn't back down from vicious cut or puncture hazards. These gloves are no stranger to dangerous applications such as handling razorwire or protecting from animal bites. Performance is taken to a new level by combining innovative industrial puncture protection combined and industry leading cut resistance. HexArmor® products are engineered to provide users with the highest levels of protection in areas where risk is the greatest.

Experience the Science of Safety™ that has helped reduce injuries and lower PPE costs in the harshest work environments.
