

HEXARMOR OVERGLOVE HOG0508

HAZARDOUS MATERIALS

When sharps, tools, and wear surfaces are present in a glovebox operation, operators should protect the glovebox gloves as if they were a second skin. Protect your second skin with the PIERCAN HOG (HexArmor Overglove, exclusively made for PIERCAN USA, Inc.). The HOG protects your second skin and extends the life of the glovebox glove by significantly reducing potential breaches.

Designed by Glovebox Operators - For Glovebox Operators

HEXARMOR OVERGLOVE HOG0508
